2 A MOTION TO CLOSE THE MEETING

1004 It was proposed by Cllr Mrs Draper and seconded by Cllr Forrest that the meeting should not proceed due to concerns about the dispatch of the summons for this meeting and the lack of a notice on the notice boards. Mr Fribbins explained that he had offered to help the parish call this meeting in order to resolve issues caused by the resignation of the former Clerk (Mrs Rumble) with minimal notice and that a summons had been sent, with three clear days notice, by email with a request that it be passed to Cllr Luck who does not have an email address. He did not have access to the noticeboards and was assured that this was best practice rather than a legal requirement. It was suggested that a further meeting could be re-arranged for the next week. On being put to the meeting, the recommendation was agreed, no further business was conducted. (Mr Fribbins returned the Parish PC as he no longer had a mandate to use it).
