**237            6    CLERK'S REPORT**

• **Any other items to report that do not appear elsewhere on the agenda.**

Now that government regulations have been passed to allow 'remote meetings' for attendance at parish council meetings and the ban on face to face meetings was in force, arrangements for accessing meetings for councillors and the public had been agreed. An audit of parish councillors had identified technical issues with some problems and a three small Amazon Fire 7 tablets had been purchased (£49.99 each). The initial purchase was allocated to Cllr Morrice and two further ones had arrived just before the meeting, so were unable to be configured and used in time (Cllr Bowley and the Vice-Chair, Cllr Pat Huntley-Chipper). Details of this meeting were advertised on the Parish Council Web Site and Facebook page – there had been no request for access and no member of the public had joined the meeting.

- **Christmas Tree** – Contact had been made with Bourne Leisure and a number of issues had been raised by them. Any planted tree may need to be removed at short notice and a power supply for lights would not be easily provided. A mobile tree may be a better solution. It would be difficult to progress this.

238      7      **BRIMP DEVELOPMENTS**

- Progress of football arena.** The contractor has made arrangements to apply topsoil and seed the land, so it was not now possible to turf. Work should continue through the lockdown. The Chair had acquired an external tap and hosepipe to keep it watered when seeded.
- Verbal Report on progress.** No progress to report during closedown.
- Extension of Brick Store** – Medway Planning had been approached by the Clerk to get an initial view of the proposal to insure there were no listed building. They had requested drawings of the proposals.
- Electrical Inspection of the Brimp** – There had been several issues raised. It has been agreed that issues relating to the Brick Store be carried out at the cost of the builder and other issues to be rectified by BTD Electrical – to be scheduled when closedown is eased.

239      8      **GRANT REQUESTS**

A request for funding had been received via Kent Association of Local Councils for a contribution to the British Red Cross. Proposed £100 be granted to Red Cross for their work in the area (s137 Expenditure) Proposed Cllr Morrice, Seconded Cllr Cook – AGREED.

240      9      **INTERNET/BROADBAND ACCESS AT CROSS PARK/THE BRIMP**

The Clerk reported on costs per building of providing a 'wireless' 4G service was discussed. Agreed to investigate wired solution. Priority to be given to The Brimp and Cross Park to be considered as part of the planned improvements. Since the last meeting the possibility of remote access to meetings has meant that this access would be needed in Cross Park – BT have indicated that any new line installations would be delayed until at least July. This would incur an installation cost (unknown) and monthly line charges (plus any broadband charges).

241      10      **PLANNING**

- Allhallows Planning Applications** – None
- Medway Local Plan** – Consultations planned on Hoo 'Master planning', also consultations on 'Whose Hoo' Heritage Lottery Fund application and Medway Ward electoral boundaries – while some consultation is continuing, it is not possible to hold consultation events.

242      11      **HIGHWAYS AND FOOTPATHS**

- Parking Restrictions** – Double yellow lines have been placed in the entrance to the Haven holiday park, although parked vehicles have been a problem due to the lockdown. As non-highways land, this did not have to be advertised.
- Footpath Officers Report** – Cllr Bowley reported on his clearance works. He is continuing to carry out works at Cross Park, the Recreation Ground, Shellduck Woods and Avery Way wood footpath and others in the area.
- Verbal contributions** – Cllr Morrice reported (non-Highways/Footpath issues with Fly Tipping in Homewards Road – reported to Medway Council and via the Medway Community Warden – Ian Sears. This is a growing problem as Re-cycling Centres operated by the District/Unitary Authorities have been closed during the lockdown.

243      12      **CROSS PARK ISSUES**

- Expansion of Facilities** – No further feedback at present work starts on their site expansion in the Autumn – to be followed up after the lockdown,
- Building/Land Issues** - Cllr Bowley's monthly report was circulated.
- Electrical Inspection** – To be scheduled after the lockdown is ease
- Temporary Harras Fencing** – Has been erected by Turners Group to limit access to their land and Johnson's field to and from the Recreation Field and Cross Park –

some of this had been vandalised and torn down. It continues to be monitored. Panels had been cable-tied together and easily separated, some had since been connected by brace with nut and bolt.

244 13 **YOUTH CLUB/YOUTH**

- a) **Youth Club –Future Planning** – Stood down due to lockdown. The Chair had acquired a trampoline for use at the Brimp (insurance details to be checked).

245 14 **THE BRIMP ISSUES**

- a) **Electrical Inspection** – carried out some failures to be corrected by builder when lockdown eased,

246 15 **CONTRIBUTIONS FROM REPRESENTATIVES ON EXTERNAL BODIES**

- a) **ALLHALLOWS PACT** – Cllrs Cook and Morrice – No meeting  
 b) **KALC (Medway)** – Cllrs Cook and Morrice – No meeting  
 c) **Medway Council Rural Liaison** – Cllr Mrs K Draper – The special March meeting had been cancelled due to the lockdown.  
 d) **Village Hall** – Cllr Lovatt – No meetings due to the lockdown. Our contractor continues to manage the outside.  
 e) **Cross Park** – Cllr Huntley-Chipper – (reported by Clerk) No meetings due to close down, There has been a query about access for the cleaner, but no issue as long as social distancing requirements are met. Grass cutting continues via our contractor, but on a reduced schedule. This may be an opportunity to treat the wooden steps from the pavilion to the football pitch.  
 f) **Village Fete** – Cllr Forrest – It had been agreed to cancel the 2020 event due to the lockdown.  
 g) **Friends of All Saint’s Church** – Cllr Forrest – Plans for VE day event have been cancelled due to the lockdown. No further meetings held.

247 16 **REPORTS FROM OTHER MEMBER RESPONSIBILITIES**

- a) **Allotments (Cllr Forrest)** – Water bill received, but meter had not been read by Business Stream for a year, so meter would be checked to make sure estimated bills are not too high or low (*since checked, no problems*)  
 b) **Recreation Ground and Playpark** (Cllr Forrest and Vice Chair) Play Park is officially put of use due to the lock down, but unable to practically lock out of use – there had been some ‘unofficial’ usage, but this had been reported. Grass continues to be cut, on a reduced schedule).  
 c) **Bourne Leisure Liaison** (Cllr C Draper) – No meeting due to lock down.  
 d) **Allhallows Primary School Liaison** (Chair) – Closed due to Covid-19.  
 e) **Turners Group** – Awaiting feedback from their review and dates for development.

248 17 **SHELLDUCK LAND UPDATE**

- a) **Trees overhanging neighbouring gardens** – Medway Norse have visited the site to remove overhanging branches in the southern wood (shop end). This has left one part of fencing loose, but ownership responsibility not clear – Medway Norse feel it is probably the house owner’s issue to resolve (as did residents backing onto the Northern (school end) site.  
 b) Cllr Bowley had been clearing some waste from the site.

- b) The issue of upgrading the PC Laptop computer was raised by the Clerk (as budgeted for 2020/21). This meeting was managed from the current Laptop which was continuing to show problems of age.
